

Also in Fig. 7A, Box "S88" was modified to read, "STATION 1 IS READY FOR EMPTY MOLD" (in harmony with the informal drawings), rather than "STATION 1 IS ?", as shown in the formal drawings.

Applicants believe these corrected drawings include changes in formalities only, and do not introduce any new subject matter.

Although no additional fee is required with this response, the Commissioner is hereby authorized to charge any deficiencies or credit any overpayment to USPTO deposit account number 13-2166.
